

## **ICT System Administrator**

Apea.Bio is a young start-up company that focuses on the exploitation of natural, beneficial interactions that occur between microorganisms and plants. Apea.Bio discovers and develops new biology-based agricultural products for crop protection and crop improvement, thus shaping a more sustainable agriculture.

We are seeking highly motivated and innovative people to help us carry out the research and development of novel and superior agricultural biological products. Successful candidates will become part of a committed, creative and highly dynamic team with opportunities to take responsibility and for personal development.

Apea.Bio is based in Gent, Belgium embedded in the largest European Agro-Biotech valley.

To strengthen its R&D team Apea.Bio is looking for a **part time (50%) ICT System Administrator** who will be involved in the further build-up and maintenance of the Apea.Bio ICT system.

### **Main responsibilities:**

- Maintain the Linux server infrastructure, ensure data is backed up and software is up to date
- Maintain the pool of Windows client machines
- Maintain an inventory of PC hardware
- You have an overview of the IT infrastructure and IT needs and suggest improvements were needed
- You are the first line of contact for reporting and handling IT related problems
- You identify and debug IT issues and formulate solutions

### **Qualifications:**

- You are an IT generalist and can quickly familiarize yourself with new IT systems and software
- You are an efficient problem solver
- You are service oriented and patient in helping with problems
- Ability to work autonomously and precise
- Analytical thinking skills and quality driven approach

### **Education and Experience:**

- Bachelor in ICT or related field or equivalent by experience

### **Other skills:**

- Language skills: fluent in English (written and verbal)
- Interpersonal skills: team player, creative, communicative, optimist, committed, flexible, entrepreneurial, organized, problem-solver

Motivated applicants should send their CV including a cover letter to [steven.vandenabeele@apea.bio](mailto:steven.vandenabeele@apea.bio) and [frederik.roels@apea.bio](mailto:frederik.roels@apea.bio) before January 31, 2021.
